What are Growth Groups?

Growth Groups are Adult and Family small groups that meet most weeks for the purposes of Fellowship, Encouragement, Support, Service, Accountability and Bible Study as we walk through life **TOGETHER**.

What are Growth Groups Like?

Each Growth Group is intentionally individualistic, taking on the identity of those within the group; their interests, personalities, gifts, abilities, and needs. Each group spends about 30 minutes of each meeting discussing a Bible passage or topic and praying **TOGETHER**. The remainder of the time may be spent enjoying talk, food, music, games, entertainment, or whatever the Leaders decide is best for the good of the group as a whole.

Who Leads the Growth Groups?

Each Growth Group is led by a Leadership Team of two or three couples or individuals who are members of FBC. These Leaders work **TOGETHER** to determine the location, day, time and agenda for each meeting. All Growth Group Leaders have received small group leadership training and are approved by the Pastors.

Who Can Join Growth Groups?

You can! Growth Groups are open to any Adult and/or Family who desires to get **TOGETHER** with other adults and families for spiritual encouragement. You do not need to attend FBC to be involved in a Growth Group.

When & Where do Growth Groups Meet?

Inside this brochure you will find information about our current Growth Groups. Find one that meets near your home, then call the Leaders of that group to learn more about them. You are also welcome to visit any of our Growth Groups as often as you desire until you find one that is a good fit **TOGETHER** for you!

TOGETHER we will **LOVE, LEARN, GROW & SERVE.**
